

Dr Vadym Vus
Dr Olexander Martsiv

ICPC-2 UKRAINE

FROM RURAL FAMILY DOCTORS POINT OF VIEW

28 August 2018 Lviv

WICC meeting
Lviv, Ukraine
August 25-31, 2018

GENESIS

Decision to start
transformation from
Family Medicine

The first Qs:

- What reasons of encounters?
- What do you do in the office?
- What are the principles to set for GPs?

Ministry of Health of Ukraine 2016
No one from the PHC

START OF THE JOURNEY

ICPC-2 as first step to methodology of family medicine

Video training, a translation of the book ICPC-2 and Q-codes

Dnipro University 5 days course of the ICPC-2

From 3 people to 9 trainers and 1900 FB members

UNEXPECTED GIFTS

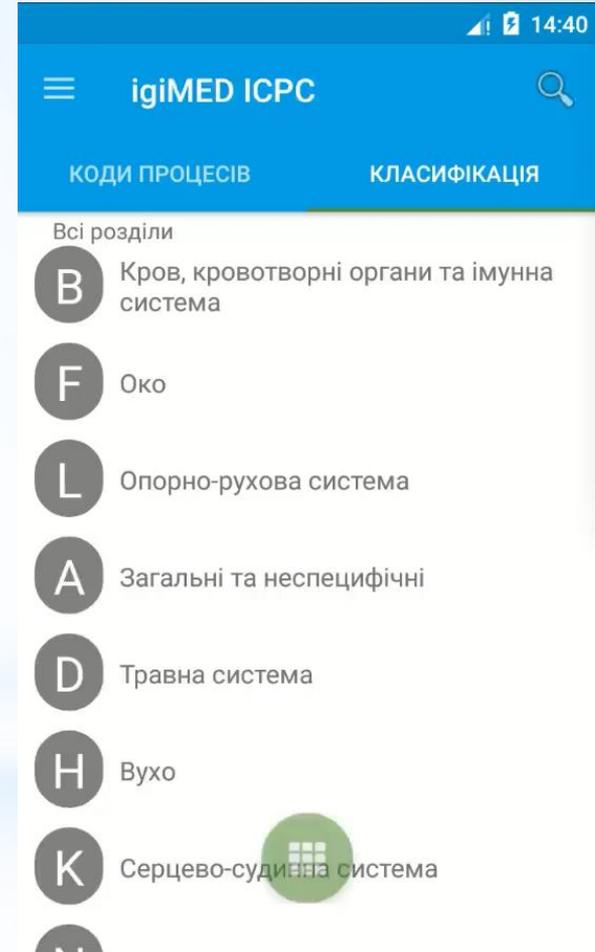

Reducing the cost of the license
for Ukraine in 2017

First classification that was
officially procured by Ukraine

Order of the MOH to use ICPC

Online simulator <https://icpc-trainer.herokuapp.com/patients>

Handbook for smartphones

DISAPPOINTMENTS

Not enough trainers

Lack of computers

Manually filling the statistics

NEXT STEPS

Integration of ICPC in the E-Health system

Reduction of the number of the statistical forms at PHC

Mentorship over the doctors-researchers in ICPC
